WHAT IS IT ALL ABOUT:-

- * Decopatch paper is easily applied to any kind of surface (flat or uneven).
- * Because it is a very thin, but strong and flexible paper, Decopatch is especially **easy to use**.
- * You can use it to **decorate anything** and everything from photo frames, light switches, chairs, cupboards, plates, candles...the list goes on and on!
- * Just tear a little off the paper & brush the glue on the object you want to cover, stick a piece of torn Decopatch paper and brush again with the Gloss glue!
- * Extremely easy to use!!! **Instant results**, do it in the studio or at home.
